Dear Sunshine Kids Foundation,

What can I say. It was a trip of a life time for our patients and myself. You have impacted the lives of these children forever. The friendships, the experiences, "the food", the places of interest in the city, you covered it all. The Big Easy was presented to these children in a way they will never forget and will want to visit again. From the Staff to the volunteers- the Sheriff Dept to the Swamp Tour Guide – everyone went Above and Beyond to give these children an exceptional experience. I have been blessed to attend 3 Sunshine Kids Trips and everyone I attend just gets better and better. Thank you so much for including our program and children. I can't say enough about how great all of you are. Edrian, Ben, Jennifer Thank you for all your hard work and dedication. To Miss Judy, Miss Hilda, Shaun, Tiny, Nay Nay, etc and all those I am forgetting and to the Restaurants who donated sooo.... much food for the entire week. Thank You. What you do for these children is beyond words. On behalf of Memorial Children's Hospital, Miranda Thomas, Jesbel Garcia and Jamie Kirk, we want to say "Happy Mardi Gras" to everyone in New Orleans and "Laissez Les Bon Temps Roulez"!

Sincerely,
