2021
ANNUAL REPORT

MISSION

The Sunshine Kids Foundation adds quality of life to children with cancer by providing them with exciting, positive group activities and opportunities, so they may once again do what Kids are meant to do...have fun and celebrate life!

GOAL

We look forward to the day when the Sunshine Kids Foundation will no longer need to exist. Until that time, the entire Sunshine Kids family is dedicated to providing the most exciting activities, trips and events for as many young cancer patients as possible.

Dear Friends,

2021 continued to be a challenging year for the Sunshine Kids Foundation but also brought us closer to our goal of normal operations after working through the COVID-19 pandemic that limited our engagement with our kids.

Through the incredible work of our staff and volunteers, we developed new and exciting “in-hospital” programming for our kids and expanded programs for teen patients. We also began to safely return to in-person events across the country.

As we moved into 2022, we hosted our first National event of the year in New Orleans, LA celebrating the Mardi Gras season. Plans are also underway to host the National trips that Sunshine Kids are known for in exciting destinations including Winter Park, Chicago, Los Angeles, Orlando, New York and others.

Another exciting addition for the Foundation is our development of a college scholarship program. Scholarships will be available for 2 and 4-year college students, and we look forward to helping our Sunshine Kids to further their academics after high school.

In 2022, we will also celebrate the Foundation’s 40th Year Anniversary. We will mark this special occasion with a gala on November 11 at Minute Maid Park in Houston, TX and look forward to seeing all our longtime supporters there.

And speaking of supporters, none of the things we do could be accomplished without our donors, volunteers, and staff. The Foundation continues to be humbled by the generous support we receive each year and are so thankful for everyone’s generosity.

Sincerely,

Bret Sanders
Chairman of the Board

Bret with Sunshine Kid SpokesKid Bennett Nester and supporter Abigail Jarrett with Belugies

Bennett Nester
Houston, TX

In 2011, my life turned upside down. I was rushed to Texas Children’s Hospital where doctors removed fluid on my brain caused by a brain tumor. After 14 months of chemotherapy, two brain surgeries, one eye surgery, and six weeks of proton radiation, I am finally able to live like a little boy again. My tumor is still there, but it is stable. I am able to go to school, play with my friends, do all the things I dreamed of as I laid in that hospital bed. I am free at last.

The Sunshine Kids have enabled me to experience a life outside of the hospital. They have grown up with me, watched me experience things for the first time, helped me make life-long friends, and given me the courage to try new things. They are my team, they are my family, and I couldn’t imagine walking this journey without them.

Truman Steeley
Fresno, CA

On Mother’s Day 2018, I felt terrible. I had no energy. The next afternoon, I was on a helicopter headed to UC San Francisco Hospital. Doctors diagnosed me with Acute Myeloid Leukemia (AML), an aggressive form of blood cancer.

Then I was given the opportunity of a lifetime by the Sunshine Kids Foundation. My doctors approved the trip to New Orleans! The experience changed everything for me. I felt independent and confident like never before. I was able to express myself, be active and outgoing. I found so much in common with the other kids who had cancer.

For several years, the Sunshine Kids has made it possible for others like me to have such positive types of experiences. It has filled my heart with love. I am grateful to share my experience about the impact the love of the Sunshine Kids group has made on my life and others.

Tampa, FL

On August 13, 2018 my life changed completely. I found out that I had a mass growing in my abdomen which was causing extreme hip pains just a few days prior. On that day, I had one of my ovaries removed and later found out I had Dysgerminoma, ovarian cancer. My family and I knew this was going to be a hard time, but we were ready for the fight because God wouldn’t give us anything we couldn’t handle. In 2019, I was invited to attend the Sunshine Kids Winter Games Trip to Colorado. This trip was so much fun! I met kids that understood my struggles that I could talk to and not feel out of place. We were able to make jokes with each other that people who don’t know our situation wouldn’t really understand. Thanks to this incredible organization that has helped me make lifetime friendships with people just like me. It’s nice knowing you have support all across the country.

I cannot tell you how happy and excited I am to be representing this wonderful organization that has impacted my life for the better. Thanks to them I know I’m not alone in this fight in the world.

From the Executive Director

Dear Friends,

As we celebrate the 40th Anniversary for the Sunshine Kids Foundation, we reflect on how it all began. From a brave 8-year-old boy named Sebastian whose greatest wish sitting in his hospital bed was to see snow for the first time, to the countless young cancer patients who have participated in Sunshine Kids programs today...thank YOU for making once in a lifetime events and opportunities possible for the Sunshine Kids.

The past two years, our Sunshine Kids and their families have experienced increased isolation, financial challenges and so much uncertainty. In the midst of all of this, your steadfast support has allowed us to increase programming and make a positive impact on more kids than ever before in the Foundation's history. Last year, we were able to expand opportunities for young cancer patients in the clinical setting to benefit our Sunshine Kids when they are most vulnerable.

This year, to celebrate our 40th Year Anniversary and in honor of our brave young Sunshine Kids and you, our steadfast supporters, we are launching our first ever Sunshine Kids National

Scholarship Program. Because of you, the Foundation will have the opportunity to continue to enhance the quality of life of children battling cancer by giving them the tools they need to broaden their education through access to full tuition scholarships.

No one can more accurately describe what your support means more than the Sunshine Kids themselves. I'd like to share with you a quote from one of our courageous young Sunshine Kids Bryanna Reyes about her experience with a childhood cancer diagnosis and finding herself again through Sunshine Kids.

"I felt so alone. I had the support of my family and friends but no one could truly understand what I was going through. Sunshine Kids gave me the space and the community to learn and grow as a person and to have fun and meet people experiencing the same hardships that I was. I'm not alone anymore."

We know that you believe as we do, that no child should fight alone. Thank you for giving back a part of their childhood that a cancer diagnosis has

Jennifer with Sunshine Kid Jessica Colucci

taken away and for creating moments of positivity that transform the uncertainty and stress for a child battling cancer into fun, friendship and simply put... into "sunshine." These life changing experiences that you make possible, last long beyond the event or opportunity.
