

**SUNSHINE
KIDS™**

**2025
ANNUAL
REPORT**

Mission

The Sunshine Kids Foundation adds quality of life to children with cancer by providing them with exciting, positive group activities and opportunities, so they may once again do what Kids are meant to do...have fun and celebrate life!

Goal

We look forward to the day when the Sunshine Kids Foundation will no longer need to exist. Until that time, the entire Sunshine Kids family is dedicated to providing the most exciting activities, trips and events for as many young cancer patients as possible.

Dear Friends,

2025 was another incredible year for the Sunshine Kids Foundation. Thanks to all of our generous donors and volunteers, we were able to touch thousands of children fighting pediatric cancer across the country.

Once again, we provided kids with weeklong trips to destinations such as Hawaii, Florida, California, New York City, Colorado and Washington, DC, just to name a few.

We also hosted more than 250 local and regional events, ranging from professional sporting events and Broadway shows to Disney experiences and hospital parties.

In total, we provided life-changing events and opportunities for over 4300 children with cancer from over 70 hospitals nationwide.

Our scholarship program continues to thrive as the Foundation now has 37 four-year scholarship winners. We look forward to our first class of graduating Sunshine Kids soon!

The strength of the Sunshine Kids is only possible because of our amazing donors who continue to support us year in, year out. Your generosity allows us to provide our kids with these once-in-a-lifetime opportunities and give them the chance to “just be kids” again.

Thank you for helping us make a difference.

Sincerely,

Bret Sanders
Chairman of the Board

Craig Biggio

For more than 35 years, Craig Biggio, MLB Hall of Famer and former Houston Astros star, has made a lasting impact as National Spokesperson for the Sunshine Kids Foundation. Throughout his playing career, he proudly wore the Sunshine Kids pin on his cap during Spring Training games and batting practice, using his platform to raise awareness and support for children with cancer.

Together with his family, Biggio continues to champion the mission, helping raise more than \$5 million to support Sunshine Kids programs nationwide. Today, he furthers his commitment through special events held throughout the year, including hosting a Sunshine Kids baseball party at Daikin Park that gives young cancer patients the chance to play alongside a legend and create unforgettable memories.

“I’ve been involved with the Sunshine Kids for close to 40 years now! We have been through so many beautiful times and sad times. They are so special to me and my family. I am a blessed man to be involved with so many great kids.”

J.K. Simmons

For more than a decade, J.K. Simmons, Academy Award-winning actor and National Spokesperson for the Sunshine Kids Foundation, has been a passionate champion of our mission. He actively represents the Foundation at fundraisers and national and local events, spending time with the Sunshine Kids and their families while helping raise awareness for children with cancer.

Through his continued involvement, Simmons provides encouragement, visibility, and heartfelt connection to the Kids we serve. His enduring commitment stands as a pillar of strength for the Foundation and the families who rely on its programs.

“Sunshine Kids is a wonderful and truly unique organization that has helped thousands of families during the most trying times of their lives. The bonds that these kids form last a lifetime and more. It’s a beautiful thing to behold.”

Each year, young cancer patients are selected to represent children with cancer from across the country. We are proud to salute our 2025 SpokesKids for their courage, dedication, and amazing support of the Sunshine Kids Foundation.

Libby Cislo

Kissimmee, FL

“As difficult and trying as this journey has been, it has been a blessing in its own way. I look back now and wonder how and why I could have ever viewed my diagnosis as a sentencing. If anything, it lit a fire beneath me. It has shown me how strong and resilient I truly am. It has shown me the immense love and support my family has for me and how blessed I am to have them in my life.

I am honored to be a Spokeskid for Sunshine Kids and thankful for the opportunity to bring awareness to the fight against pediatric cancer and hopefully help lift others as Sunshine Kids has done for me.”

Channing Sumpter

Santee, SC

“I knew my journey was for a reason, so I was humbled to represent such an organization as Sunshine Kids. I was invited to participate in a Sunshine Kids Foundation trip in April 2024, and it was one of the best days of my life. I will never forget my experience. The next step is to share my journey and offer my testimony to help someone else thrive to fight and make it through. At this moment, I am victorious in being chosen as a National Spokeskid and will try my best to represent this foundation well.”

Christian Garcia

Vancouver, WA

“Despite my diagnosis, I have never let it define who I am. I continued going to school and living my life as normally as possible. In August 2024, I joined the Sunshine Kids on their Hawaiian Hang Loose Holiday. My dream came true! It was an unforgettable experience, where I made new friends and connected with the fantastic staff who made me feel so welcome. On that trip, I was not defined by my illness; I was just a kid having fun and creating wonderful memories.”

IN MEMORIAM

Robert “Rob” Dolan

“One of the best experiences I’ve ever had was going on the Sunshine Kids trip to New York in the summer of 2024. . .It was truly a trip of a lifetime. I got to meet so many amazing people, and it was great being around other kids who really understand what it’s like to go through this journey.”

2025 REVENUE & EXPENSES

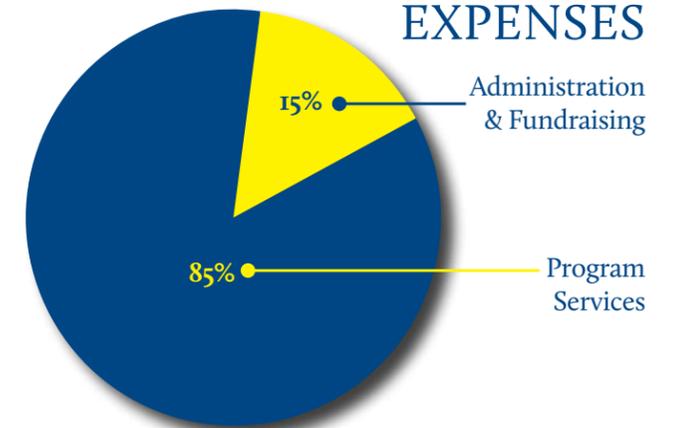

REVENUE

The Sunshine Kids Foundation is proud of our four-star designation from Charity Navigator, America's largest and most utilized independent evaluator of charities.

EXPENSES

From the Executive Director

Dear Sunshine Kids Family,

At Sunshine Kids, our mission is simple and powerful – to bring light, hope, and impactful opportunities to children facing childhood cancer and the families who walk beside them every day.

As I reflect on 2025, I am filled with gratitude for the continued growth of our programs and the incredible community that makes our mission possible.

This past year was shaped by the moments that brought us together. Those moments came to life through the voices of our Sunshine Kids, like Scarlett, who shared,

"I feel like I'm being seen. I never thought I could relate to this many kids at the same time."

Her words beautifully capture the heart of Sunshine Kids.

Through your support, we create a community where children facing cancer feel understood, supported, and connected. Thanks to the dedication of our staff, the leadership of our

Board, and the generosity of our donors, Sunshine Kids continues to create experiences that bring a sense of normalcy, build confidence, and remind our young cancer warriors that they do not fight alone.

This year, we were excited to expand our national events with the addition of our Boston Harbor Hangout, offering teens a new destination filled with adventure and unforgettable experiences. While each trip creates lifelong memories, the greatest impact continues to be the friendships formed and the strength these teens find in one another.

We are also excited about the continued development of our mentorship program. This full-circle opportunity brings former Sunshine Kids back to give hope and encouragement to newly diagnosed patients through the power of shared experience.

As we look ahead, we remain deeply committed to growing our impact, strengthening our programs, and ensuring that every Sunshine Kid feels supported today and for years to come.

Jennifer with Sunshine Kid Emelia and Sophia Kieru

On behalf of Sunshine Kids Foundation, thank you for believing in our mission and for standing with the children and families we serve. Together, we are creating moments of sunshine that last a lifetime.

With gratitude,

Jennifer Wisler
